

Summary of Coursework

July 24, 2023

Art of Problem Solving Inc.
15330 Avenue of Science
San Diego, CA 92128

Greetings,

This letter outlines Saanvi Rangarajan's participation in the Art of Problem Solving Online school. Our courses are specifically designed for high-performing students and draw material from many programs for top middle and high school students in the country.

Saanvi has completed the following subject courses through us.

Subject Courses			
Course	Start	Length	Grade
Bridge to Prealgebra	July 14, 2022	4 Weeks	A+
Prealgebra 1	September 7, 2022	16 Weeks	A+
Introduction to Algebra A	February 24, 2023	16 Weeks	A+

Sincerely,

Richard Rusczyk
